## Drug and Alcohol Policy for Conference Attendee

Alcohol and illicit drugs are nationally recognized as substances that may have a negative effect on the lives of college students. As a leadership organization that works largely with college students under the legal drinking age, it is recognized that alcohol is not needed for a good time or to promote positive growth. Illicit drugs can be lethal. For these reasons, the KARH 2016 Conference and meetings in conjunction with the conference are designated as "alcohol and drug free." The method of enforcement will be at the discretion of the Conference Staff, in consultation with the State Board, KARH Advisors, the advisors from the institution the student represents.

I, \_\_\_\_\_ have read and understand the aforementioned KARH 2016 policy on the use of alcohol and other illicit drugs and/or substances, and furthermore agree to adhere to these policies during my participation at the KARH 2016 Conference. I am fully aware that the failure to adhere to these policies may result in my removal from the conference and/or disciplinary action by my college or university. I further understand that my removal from the conference will result in a loss of all conference privileges and that my delegate registration fee will be forfeited entirely.
